IDENTIFICATION

Passports and visas are required for this tour at your expense. Certain countries require a minimum of 6 months passport validity from date of return home. You are strongly urged to contact the appropriate consulate for details. Visit www.travel.state.gov for the U.S. State Department for the latest details about passports and visa requirements.

IMPORTANT: We recommend that our guests traveling abroad take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

Visa Requirements:

US and Canadian citizens: ETA's (Electronic Travel Authority) are required for this tour.

For travel to Australia: Your ETA must be processed in advance of travel through the Australian Immigration website by visiting <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/electronic-travel-authority-601#HowTo> or by downloading the Australian ETA app on a smartphone. The approximate cost of the ETA application is \$20 Australian Dollars. Please allow for up to 72 hours for processing.

For travel to New Zealand, your NZeTA must be processed in advance through the New Zealand Immigration online system by visiting <https://nzeta.immigration.govt.nz/> (approximate cost of 12 NZD) or through their mobile app NZeTA (approximate cost of 9 NZD) in addition to Tourism Levy of 35 NZD.

Rates are approximate and can be changed at any time based on governing authority.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.
